500ml Cocoa Butter with Shea Butter Aqueous Cream

Our aqueous cream is a non-greasy moisturiser that provides a layer of oil on the surface of the skin to prevent water escaping from the skin surface.

It contains a high percentage of **Cocoa Butter** which can improve the skin, having anti-inflammatory and antioxidant effects. In addition, this formula with **Shea Butter** is well known for its ability to nourish the skin and provide relief from inflammation, irritation, dryness and wrinkles.
